Elements

Gsmart

Palm Friendly

Joy sports a 5" HD display that makes the content look more colorful. The right size and weight contribute to its perfection and fit right in your palm.

The Gsmart logo is located in the top left corner. It features the word "Gsmart" in a white, sans-serif font, with a green "G" that has a stylized, rounded shape.

2.5D Curve

We understand you want to look great with your smartphone, that's why we bring you 2.5D Asahi glass. It is both beautiful and ergonomic, making it a pleasure to your sense of touch.

LCD Panel

No-Air-Gap design

On-Cell Display

On-Cell Display

No-Air-Gap design with On-Cell display slim down the thickness significantly and provide vibrant and accurate color whether you're out in the sun or in low light environment.
