THE ONE PLUS

PREMIUM BLUETOOTH® SPEAKER SYSTEM

LUXE DETAILS

Incorporating luxury materials such as real wood veneer and tactile switches and knobs, The One Plus Heritage Inspired tabletop speaker blends the acoustics and classic design legacy of Paul W. Klipsch with the latest technologies available today.

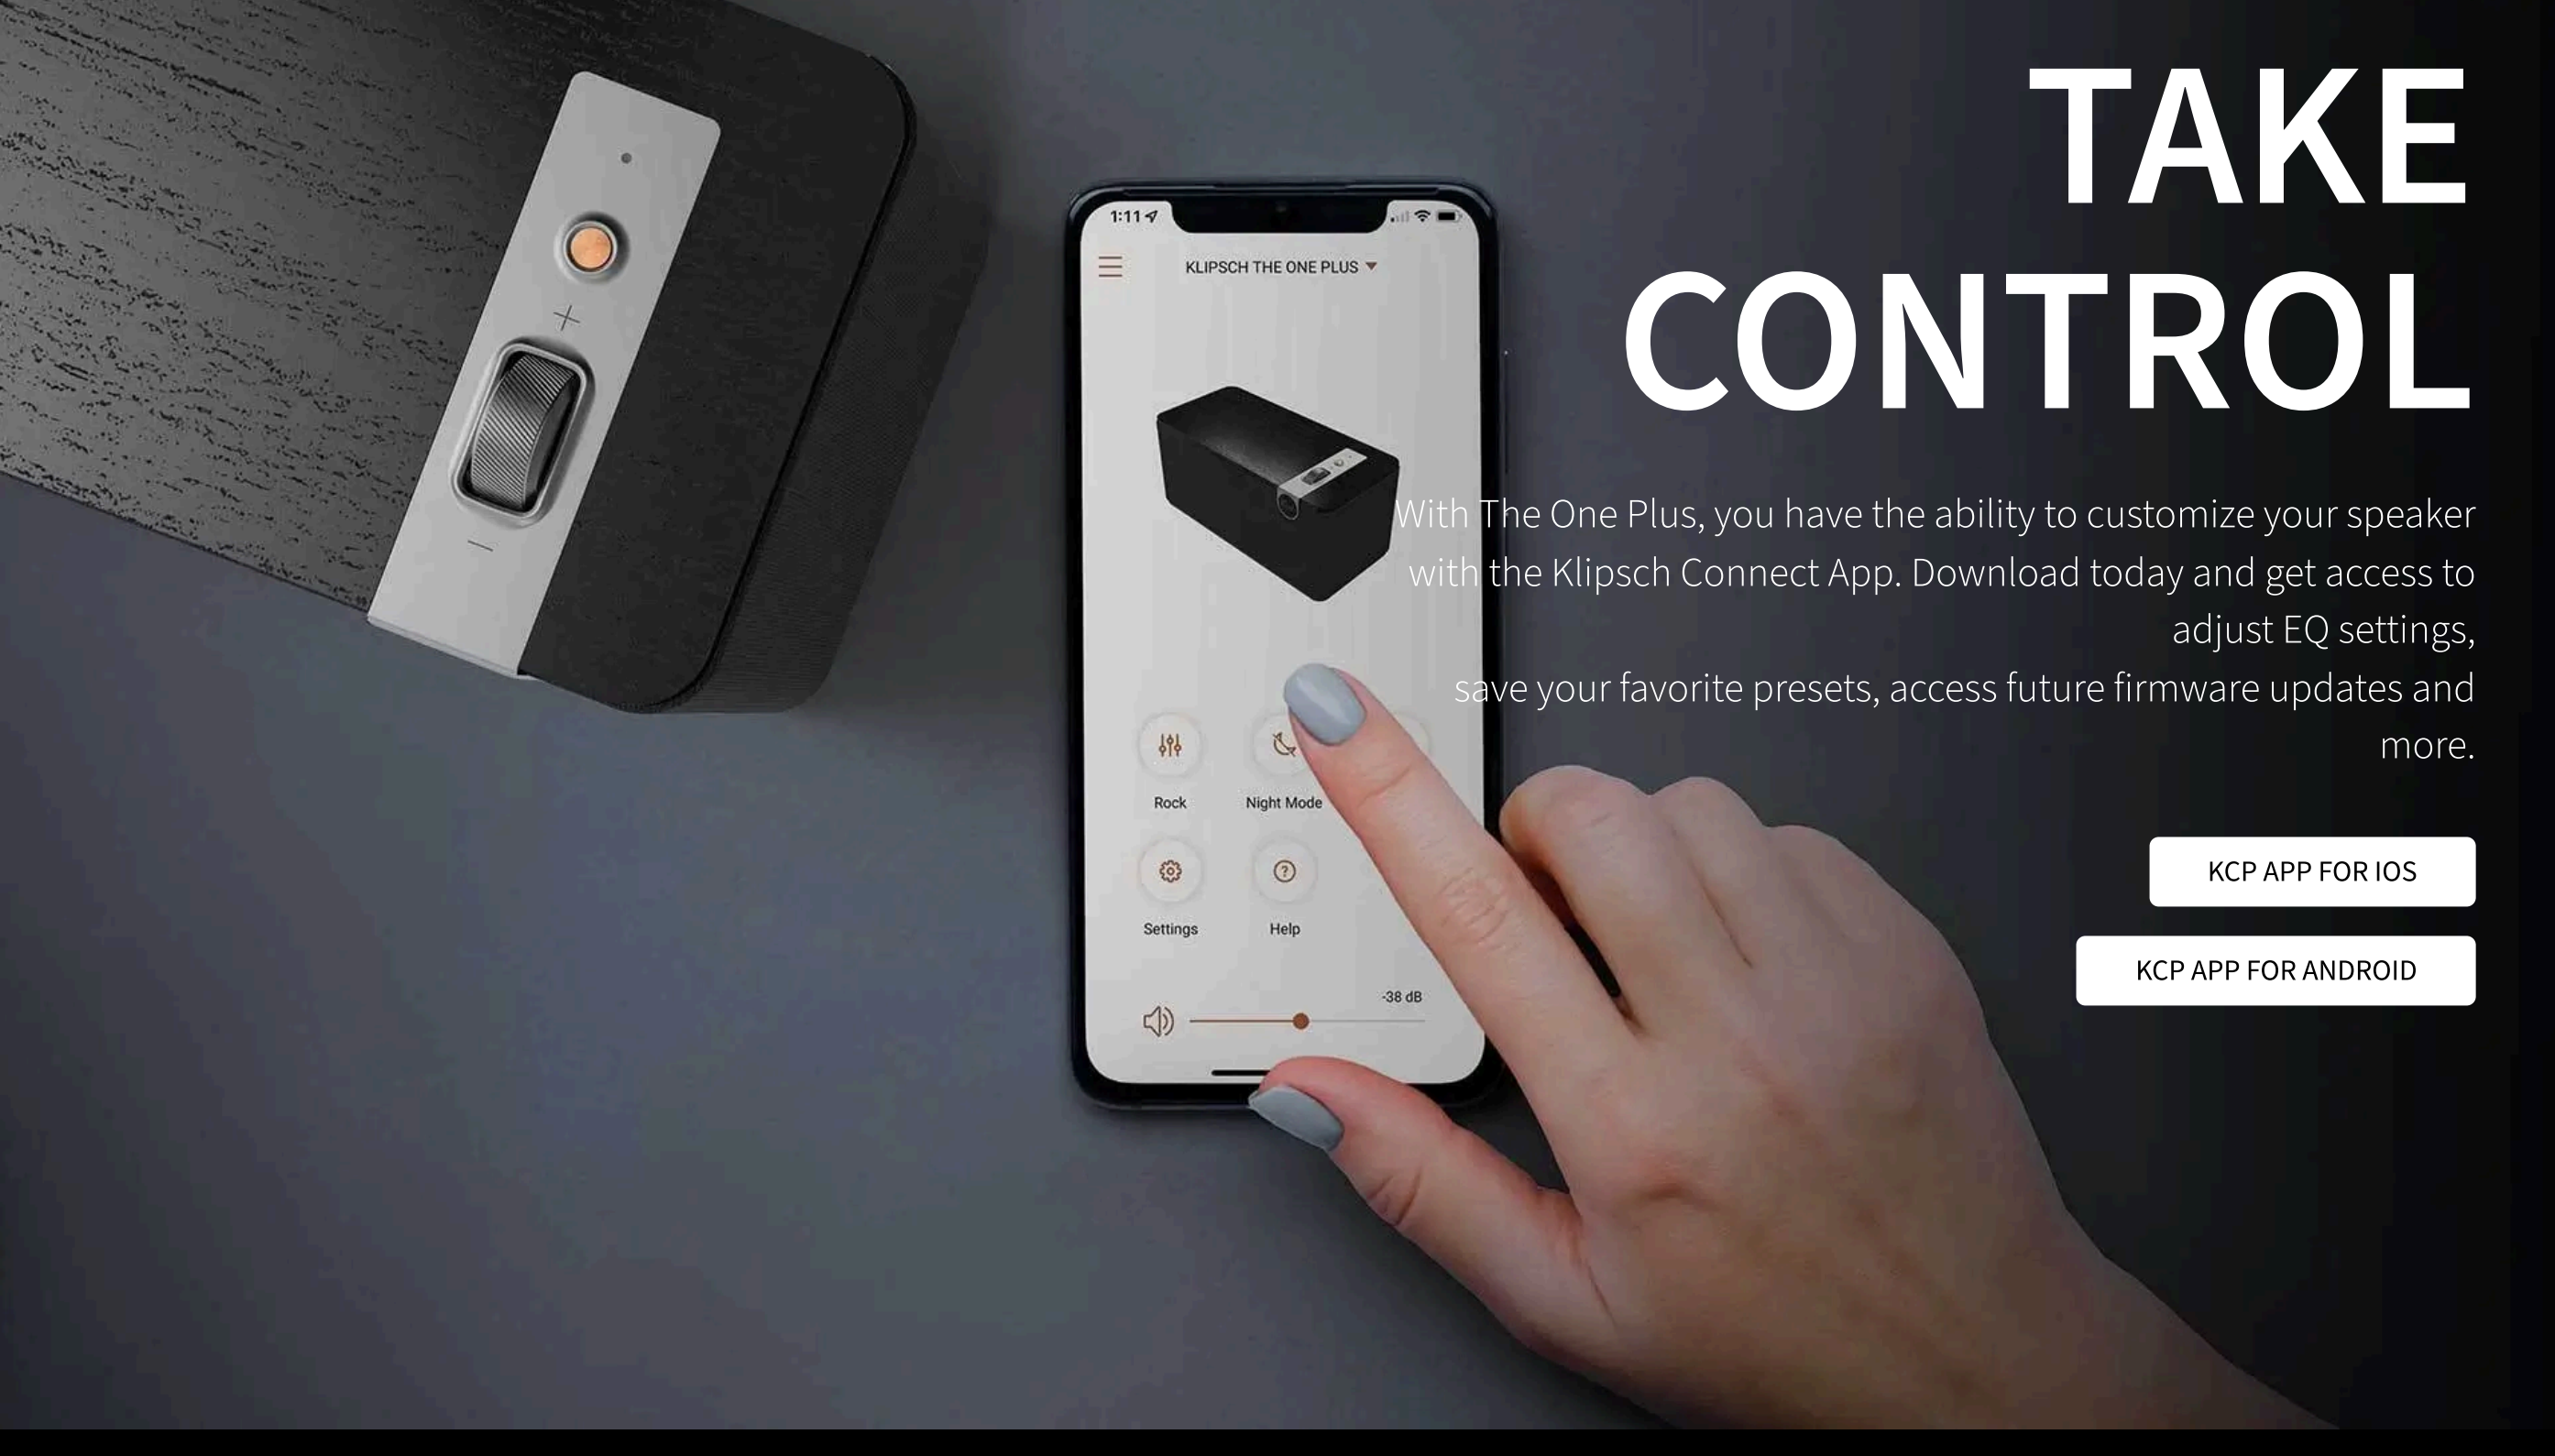

BIG SOUND

Don't let its size fool you – The One Plus is a powerful 2.1 stereo system bi-amplified for audiophile resolution and professionally tuned by Klipsch acousticians to deliver a crystal-clear performance with great bass. Featuring two 2.25" full range drivers and a 4.5" high excursion woofer, you'll be surprised at the sound quality that comes from such a small package.

GO THE DISTANCE

Stream your favorite playlist or podcast with ease via Bluetooth 5.3 wireless technology that allows up to 40 feet of distance from the source.

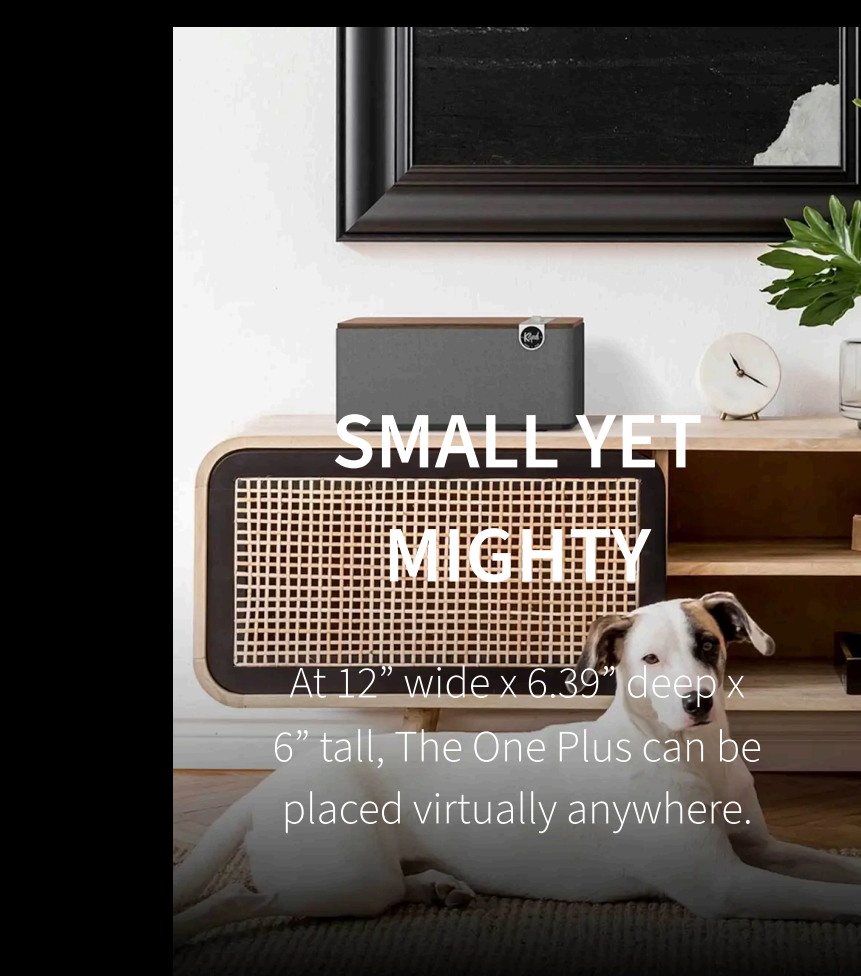

TAKE CONTROL

With The One Plus, you have the ability to customize your speaker with the Klipsch Connect App. Download today and get access to adjust EQ settings, save your favorite presets, access future firmware updates and more.
