

Klipsch

NASHVILLE

IMMERSE YOURSELF IN SOULFUL MELODY AND THE RICH MUSICAL HERITAGE OF MUSIC CITY USA WITH POWERFUL, HANDHELD AUDIO

THE 360° EXPERIENCE

The Klipsch Nashville uses dual 2.25" full-range drivers to deliver a 360° audio experience while dual passive radiators display deep, resonating bass. Put it in the center of the action, and everyone has a good seat for this concert.

SOUND CHECK, ONE TWO

With just a tap on your Klipsch Connect Plus app (available for free in the app store), you can customize EQ settings for your ideal bass, mid-range, and treble; receive over-the-air firmware updates and receive access to support.

BRING THE BAND TOGETHER

Party people, pay attention — the Klipsch Nashville features Broadcast Mode allowing playback on up to 10+ Klipsch Music City (or other Broadcast Mode enabled) speakers.

SUPERIOR CONNECTIVITY

You're free to move and groove with Bluetooth 5.3 true wireless technology for seamless stereo playback. Stay connected up to 40-feet away from the Klipsch Nashville for total flexibility.

POWER YOUR DAY (AND NIGHT)

Whether you're traversing Music City's streets or taking a long ride outta town, the Klipsch Nashville's long-lasting battery has you covered for up to 24 hours on a single charge.

TAKE CHARGE

Enjoy 18W USB-C charging for fast, effective power while reverse USB-C functionality (10W) lets you pull on some of that energy in a pinch to recharge your phone or other compatible device.

DON'T MISS A BEAT

Plans change, and the Klipsch Nashville is adaptable too. You won't miss a beat with the built-in microphone, allowing you to pause the music to take a quick call without having to search for your phone.

RUGGED AS BLUE RIDGE, SMOOTH LIKE THE MISSISSIPPI

Enjoy IP67 dust and waterproof rating with this travel-ready Bluetooth speaker. The Klipsch Nashville is completely protected from dust and submerge up to one meter for 30 minutes.
