BRING THE BAND TOGETHER

Party people, pay attention — the Klipsch Detroit features Broadcast Mode allowing playback on up to 10+ Klipsch Music City (or other Broadcast Mode enabled) speakers.

SUPERIOR CONNECTIVITY

You're free to move and groove with Bluetooth 5.3 true wireless technology for seamless stereo playback. Stay connected up to 40-feet away from the Klipsch Detroit for total flexibility.

DETROIT DON'T STOP

Whether you're kickin' it downtown or cruising through the Motor City streets, the Klipsch Detroit's long-lasting battery has you covered for up to 20 hours on a single charge.

*battery life subject to change

TAKE CHARGE

Enjoy 18W USB-C charging for fast, effective power while reverse USB-C functionality (10W) lets you pull on some of that energy in a pinch to recharge your phone or other compatible device.

CARRYING STRAP FOR GROOVIN' & CRUISIN'

The Detroit has a removable strap for ease of use. Carry it with you to the party or the park...or pop the strap off if it doesn't fit your aesthetic.

BUILT-IN MICROPHONE FOR CALLS

Plans change, and the Klipsch Detroit is adaptable too. You won't miss a beat with the built-in mic, allowing you to pause the music to take a quick call without having to search for your phone.

TOUGH AS DETROIT, SMOOTH LIKE A GOOD GROOVE

Enjoy IP67 dust and waterproof rating with this travel-ready Bluetooth speaker. The Klipsch Detroit is completely protected from dust and submergeable up to one meter for 30 minutes.
