

KLIPSCH MIAMI

MUSIC CITY PARTY SPEAKER

HOT NIGHTS, COOL TUNES

Paul W. Klipsch passed down the gift of the horn-loaded tech so party people could get the most powerful and clearest sound possible. The Klipsch Miami combines that same proprietary engineering with a highly efficient horn-loaded compression tweeter, dual 5.25" woofers, and custom front ports – for an unforgettable sound that will drive your dance floor.

KEY FEATURES

IT'S A PARTY IN A BOX

Six light show settings and Ultra Bass are ready to get the party started

READY TO DJ

Pole mount, trolley wheels, built-in handle, app control make it easy to DJ

BUILT TO LAST

IPX4 splash rating and a 18hr battery life (without lights) or 10hr (lights on) will keep your party going

READY FOR FUN

Party Link, an included mic, and instrument inputs will ensure you have fun

IT'S LIT: BIG BEATS, ULTRA BASS

Big sound comes with a bangin' light show – RGB lighting in a variety of patterns and colors to be exact. App-controlled presets dazzle the front and sides of your new Klipsch Party Speaker. And while you're at it, crank up the low frequencies. Buckle up, because your Klipsch Music City Party Speaker comes with built-in Ultra Bass – just hit the Ultra Bass button or customize EQ settings in-app to deepen those drops and shake the place.

MADE TO MOVE YOU

Where you go, the party follows. The Klipsch Miami was designed with durable trolley wheels and a built-in handle so you can salsa, mamba, or straight-up vibe wherever the night takes you.

DARE TO COMPARE

* LIGHTS OFF / LIGHTS ON

PARTY TIME? EXCELLENT.

Connect multiple Klipsch Music City Party Speakers via Party Link easily with the Klipsch Connect Plus app. We like to think of it as Pissing Off The Neighbors Mode – debauchery not included... for now!

VOLTAGE FOR LONG-LASTING VIBES

The Klipsch Miami was built for the vitality of the very best bashes. With up to 18 hours of playback without lights or 10 hours with lights on, we're worried you might run out of music.

BUILT LIKE A TANK

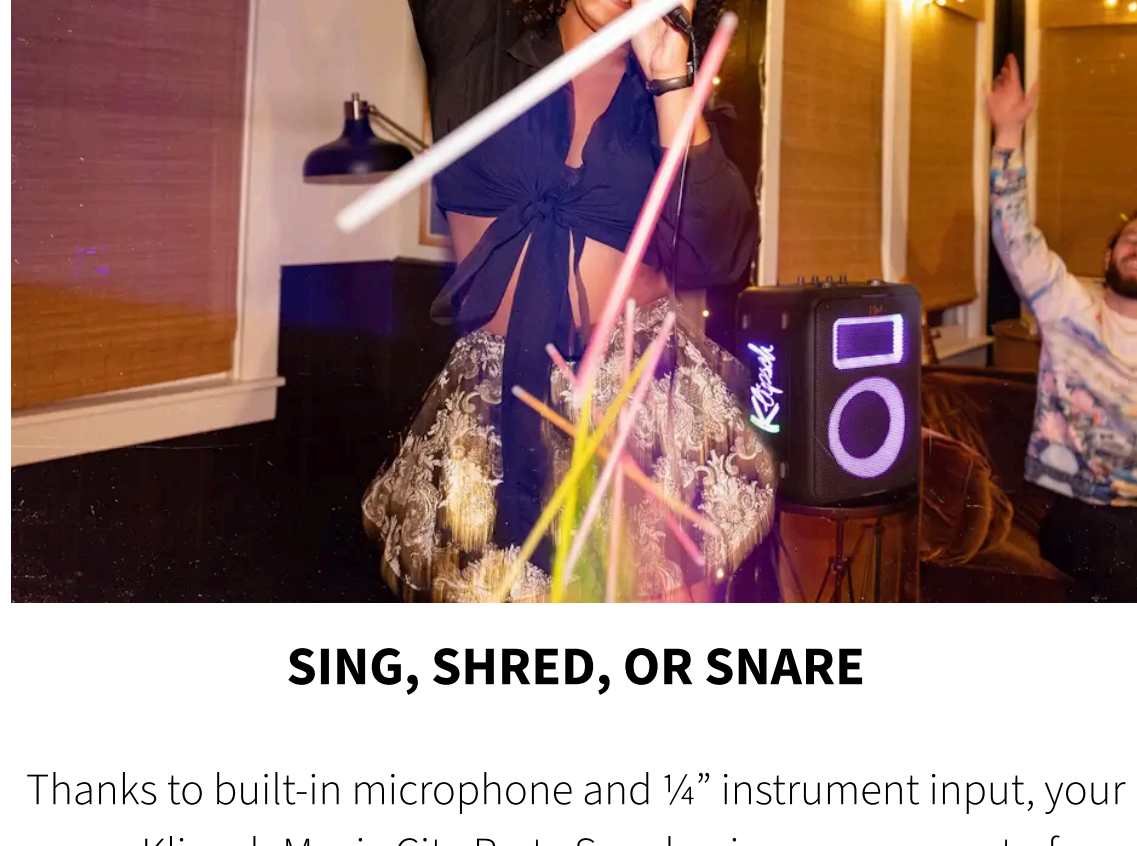

With rigorous quality testing from our partners at Onkyo, Klipsch Music City Party Speakers have been put through the wringer to ensure they keep up. Plus, they're all IPX4 rated so a few pool party splashes won't slow you down.

YOU'RE IN CONTROL

The Klipsch Connect Plus app (available free in the app store) allows you to customize EQ settings, light patterns, DJ buttons, and more with just a few clicks.

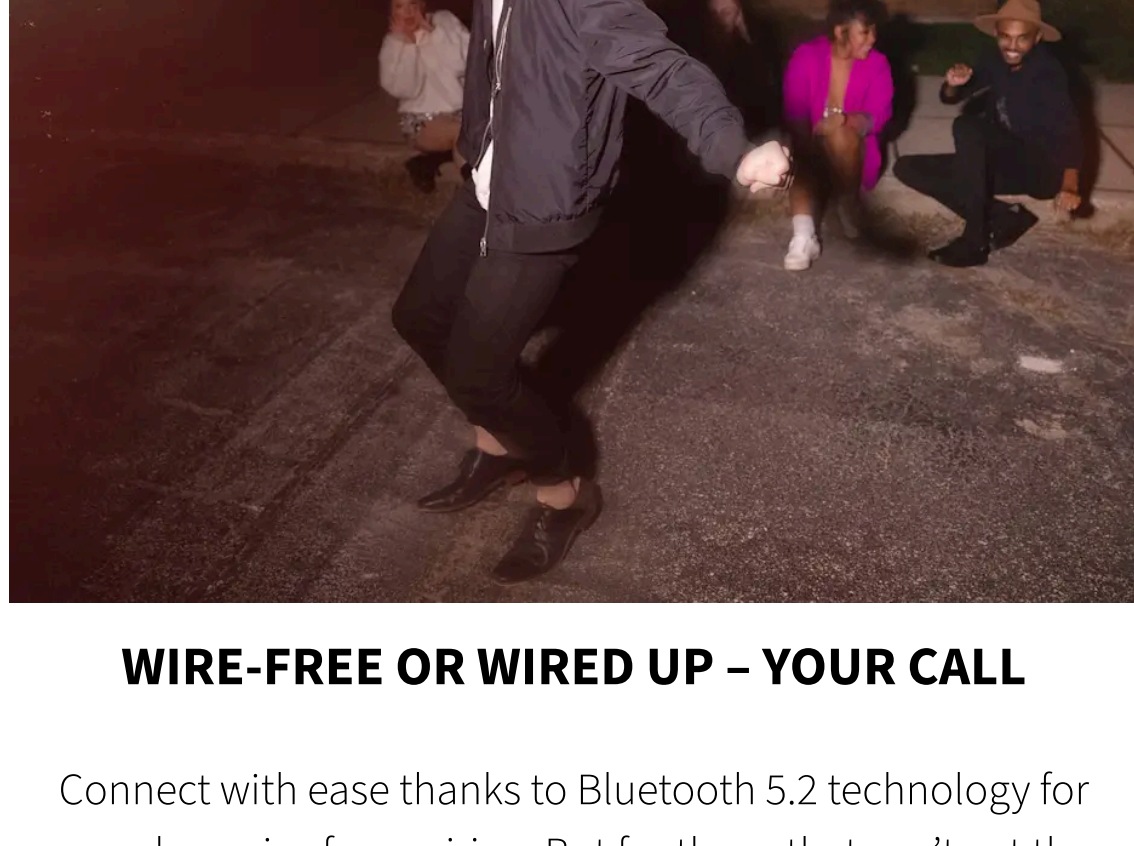

KCP APP FOR IOS

KCP APP FOR ANDROID

SING, SHRED, OR SNARE

Thanks to built-in microphone and 1/4" instrument input, your new Klipsch Music City Speaker is your new go-to for karaoke nights and jam sessions. Further customize your experience with bass, treble, and echo adjustments.

WIRE-FREE OR WIRED UP – YOUR CALL

Connect with ease thanks to Bluetooth 5.2 technology for seamless wire-free pairing. But for those that can't cut the cord, enjoy a standard aux input, microphone jack, and 1/4" instrument input.

BRING THE PARTY

With amazing impact and clarity, the Klipsch Music City Party Speakers, with their horn-loaded technology, carry on the Klipsch reputation of incredible, room-filling sound. See the full series now.
