

FLEXUS CORE 100

2.1-CHANNEL DOLBY ATMOS SOUND BAR

IT STARTS HERE

The Klipsch Flexus Core 100 Sound System, powered by Onkyo, lays the foundation for amazing movie nights, gripping gaming campaigns that go late into the night, and streaming the next binge-worthy show. Powered by exceptional acoustics and Klipsch transport technology, this 2.1-channel sound bar is the first step towards building the whole home entertainment ecosystem of your dreams.

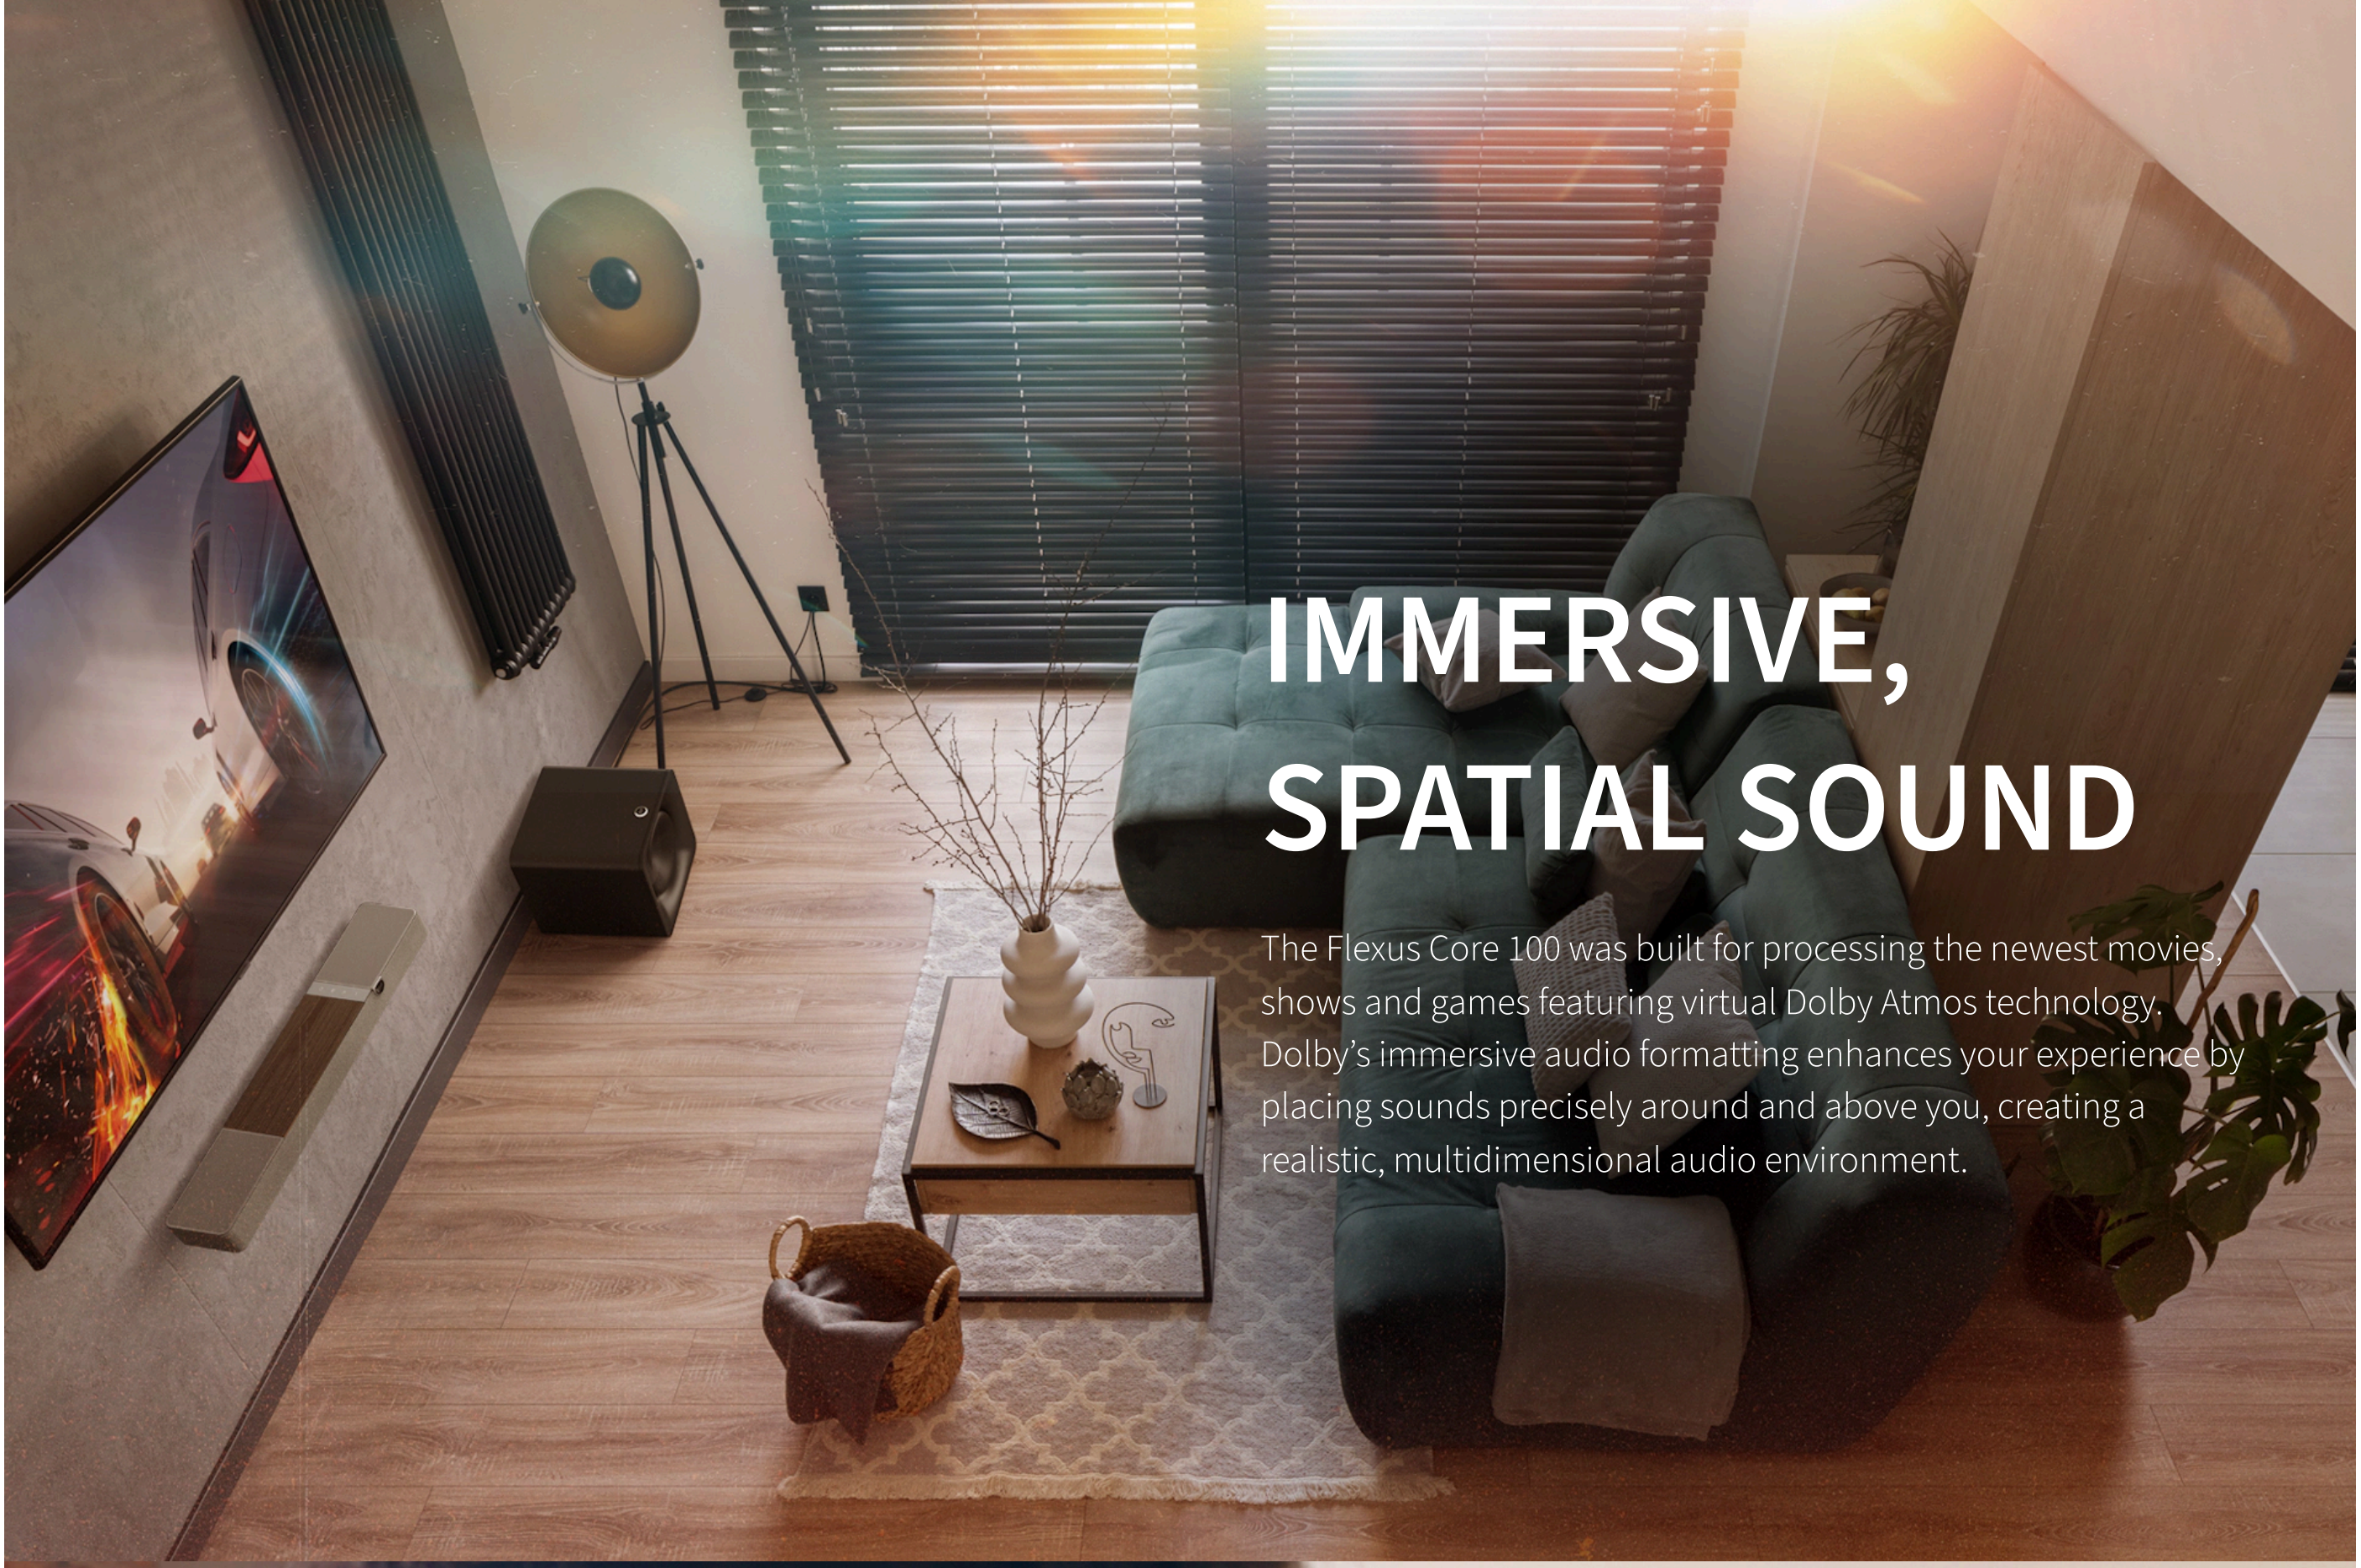

POWERED BY ONKYO

We've teamed up with Onkyo, combining their decades of proven manufacturing and tech prowess with our classic Klipsch acoustics, to ensure your home entertainment system is as epic in audio quality as it is in reliability.

CUSTOM-TUNED, BEST BASS IN CLASS

This small-but-mighty 2.1-channel sound bar punches above its weight with two 2.25" aluminum drivers finely tuned by Klipsch acousticians and dual 4" built-in subwoofers for best-in-class bass. No subwoofer required.

IMMERSIVE, SPATIAL SOUND

The Flexus Core 100 was built for processing the newest movies, shows and games featuring virtual Dolby Atmos technology. Dolby's immersive audio formatting enhances your experience by placing sounds precisely around and above you, creating a realistic, multidimensional audio environment.

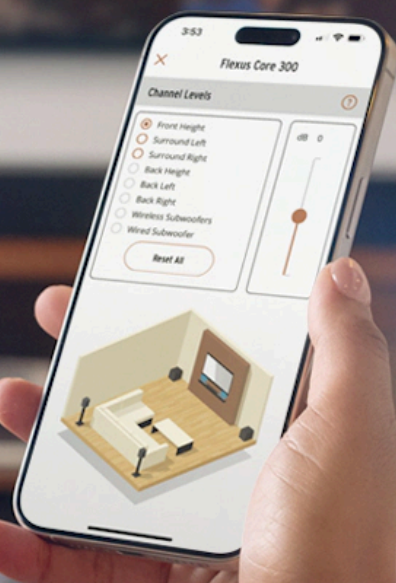

YOU'RE IN CONTROL

With the Klipsch Connect Plus app, access:

- EQ presets or your own custom EQ mix
- Night Mode
- Dialogue Boost
- Volume control
- And more to come
